

ADVANCES IN DENTISTRY

MODERN PROSTHODONTICS

January 9, 2010 | Grand Hyatt Dubai | UAE

**BOSTON
UNIVERSITY**

**INSTITUTE FOR
DENTAL RESEARCH & EDUCATION**

DUBAI

COURSE DESCRIPTION

Advances in Dentistry is an innovative continuing education program organized by Boston University Institute for Dental Research and Education - Dubai and Mohammed Bin Rashid Al Maktoum Academic Medical Center.

This program is designed to review state-of-the-art information for dentists and dental specialists who would like to review modern concepts in the diagnosis and treatment of prosthodontic problems. Through didactic lectures, case discussions and interactive sessions, participants will have the opportunity to learn from distinguished faculty and have personal interaction with leaders in dentistry.
